

# International Business Students Visited Material Handling and Machinery Exhibition 2019 Mueng Thong Thani, Bangkok

6th-9th March 2019

International Business students visited Material Handling and Machinery Exhibition (MHE2019) during 6th-9th March 2019 as a part of IBP3319 International Logistics’s class activities. This exhibition presents the new innovation in Transportation, material handling including inventory management, logistics warehousing and industrial equipments from domestic and international manufacturers, where students could gain knowledge in international logistic management.
