

International Business Program organized IB Network Expansion Project for Code 59 students at Baan Tah on the Sea, Chonburi Province

On 27 to 28 June 2019, International Business Program, leading by Dr.Yingsak Vanpetch and the team organized IB Network Expansion Project for Code 59 students. This project aims to encourage the students to communicate and collaborate more. The activities included discussions between the students on current issues of the program as well as recreation session with, Ms.Kaewalin Chareanpong, representative of Code57 alumni, in the aim to strengthen the program alumni network.
